

TABLE THROWS

PRODUCT DESCRIPTION

Table throws are an affordable way to show off your brand or products at shows and events. Let your customers know who you are right up front. Custom sized throws can be created to fit any size table. The throw is made of polyester based heavy knit fabric and printed with your custom graphics. The graphics can be placed on any or all sides of the throw. It's the perfect product for trade shows and mobile marketing events. The washable, easy to care for table throw stores easily for travel and makes a lasting impression.
