

MESH POLE BANNERS

PRODUCT DESCRIPTION

Mesh pole banners are optimal when weight and wind are a factor in the installation process and add to the banner's life span. We offer Mesh Pole Banners with 90/10 blow-through.

SUGGESTED APPLICATIONS

Pole Banners	Interior Advertising
Exterior Advertising	

*NOTE: The term **blow-through** refers to the percentage of printable material to the percentage of holes in the material. (i.e. blow-through is 70/30. This proportion means that the surface area of the banner is 70% printable material, and 30% holes.)*
