## **Invisi-lap Vertical Tile Installation**

Due to the layered construction of the overlap between tiles, Invisi-lap tiled prints must be installed starting with the furthest tile to the right and then working left. This insures that the left tile overlaps onto the right creating a seamless image.

## **Combined Tiles Overlap Construction Separate Tiles Overlap Construction** OVERLAP **UNDERLAP TILE OVERLAP TILE** .5" TOTAL **UNDERLAP Finish Start** Installs from **RIGHT** to LEFT
