

# BACKLIT BLOCKOUT FLEX FACE

DAY

NIGHT

## PRODUCT DESCRIPTION

If you have a design that requires part of the image to be opaque when illuminated, this is the product you're looking for. Our printing technology allows us to easily manufacture this product. The three layer printing makes your colors pop at night and remain vibrant during the day.

## SUGGESTED APPLICATIONS

Tension Frame Sign Cabinets

## MATERIALS

- » 18oz Flex Face Material
- » 19oz 3M Panagraphics
