Straight4 Double Sided Flag:

Total Printed Area: 96.4882"h x 25.622"w
Fabric Size: 94.4882"h x 23.622"w
Safe Area: 88.4882"h x 17.622"w

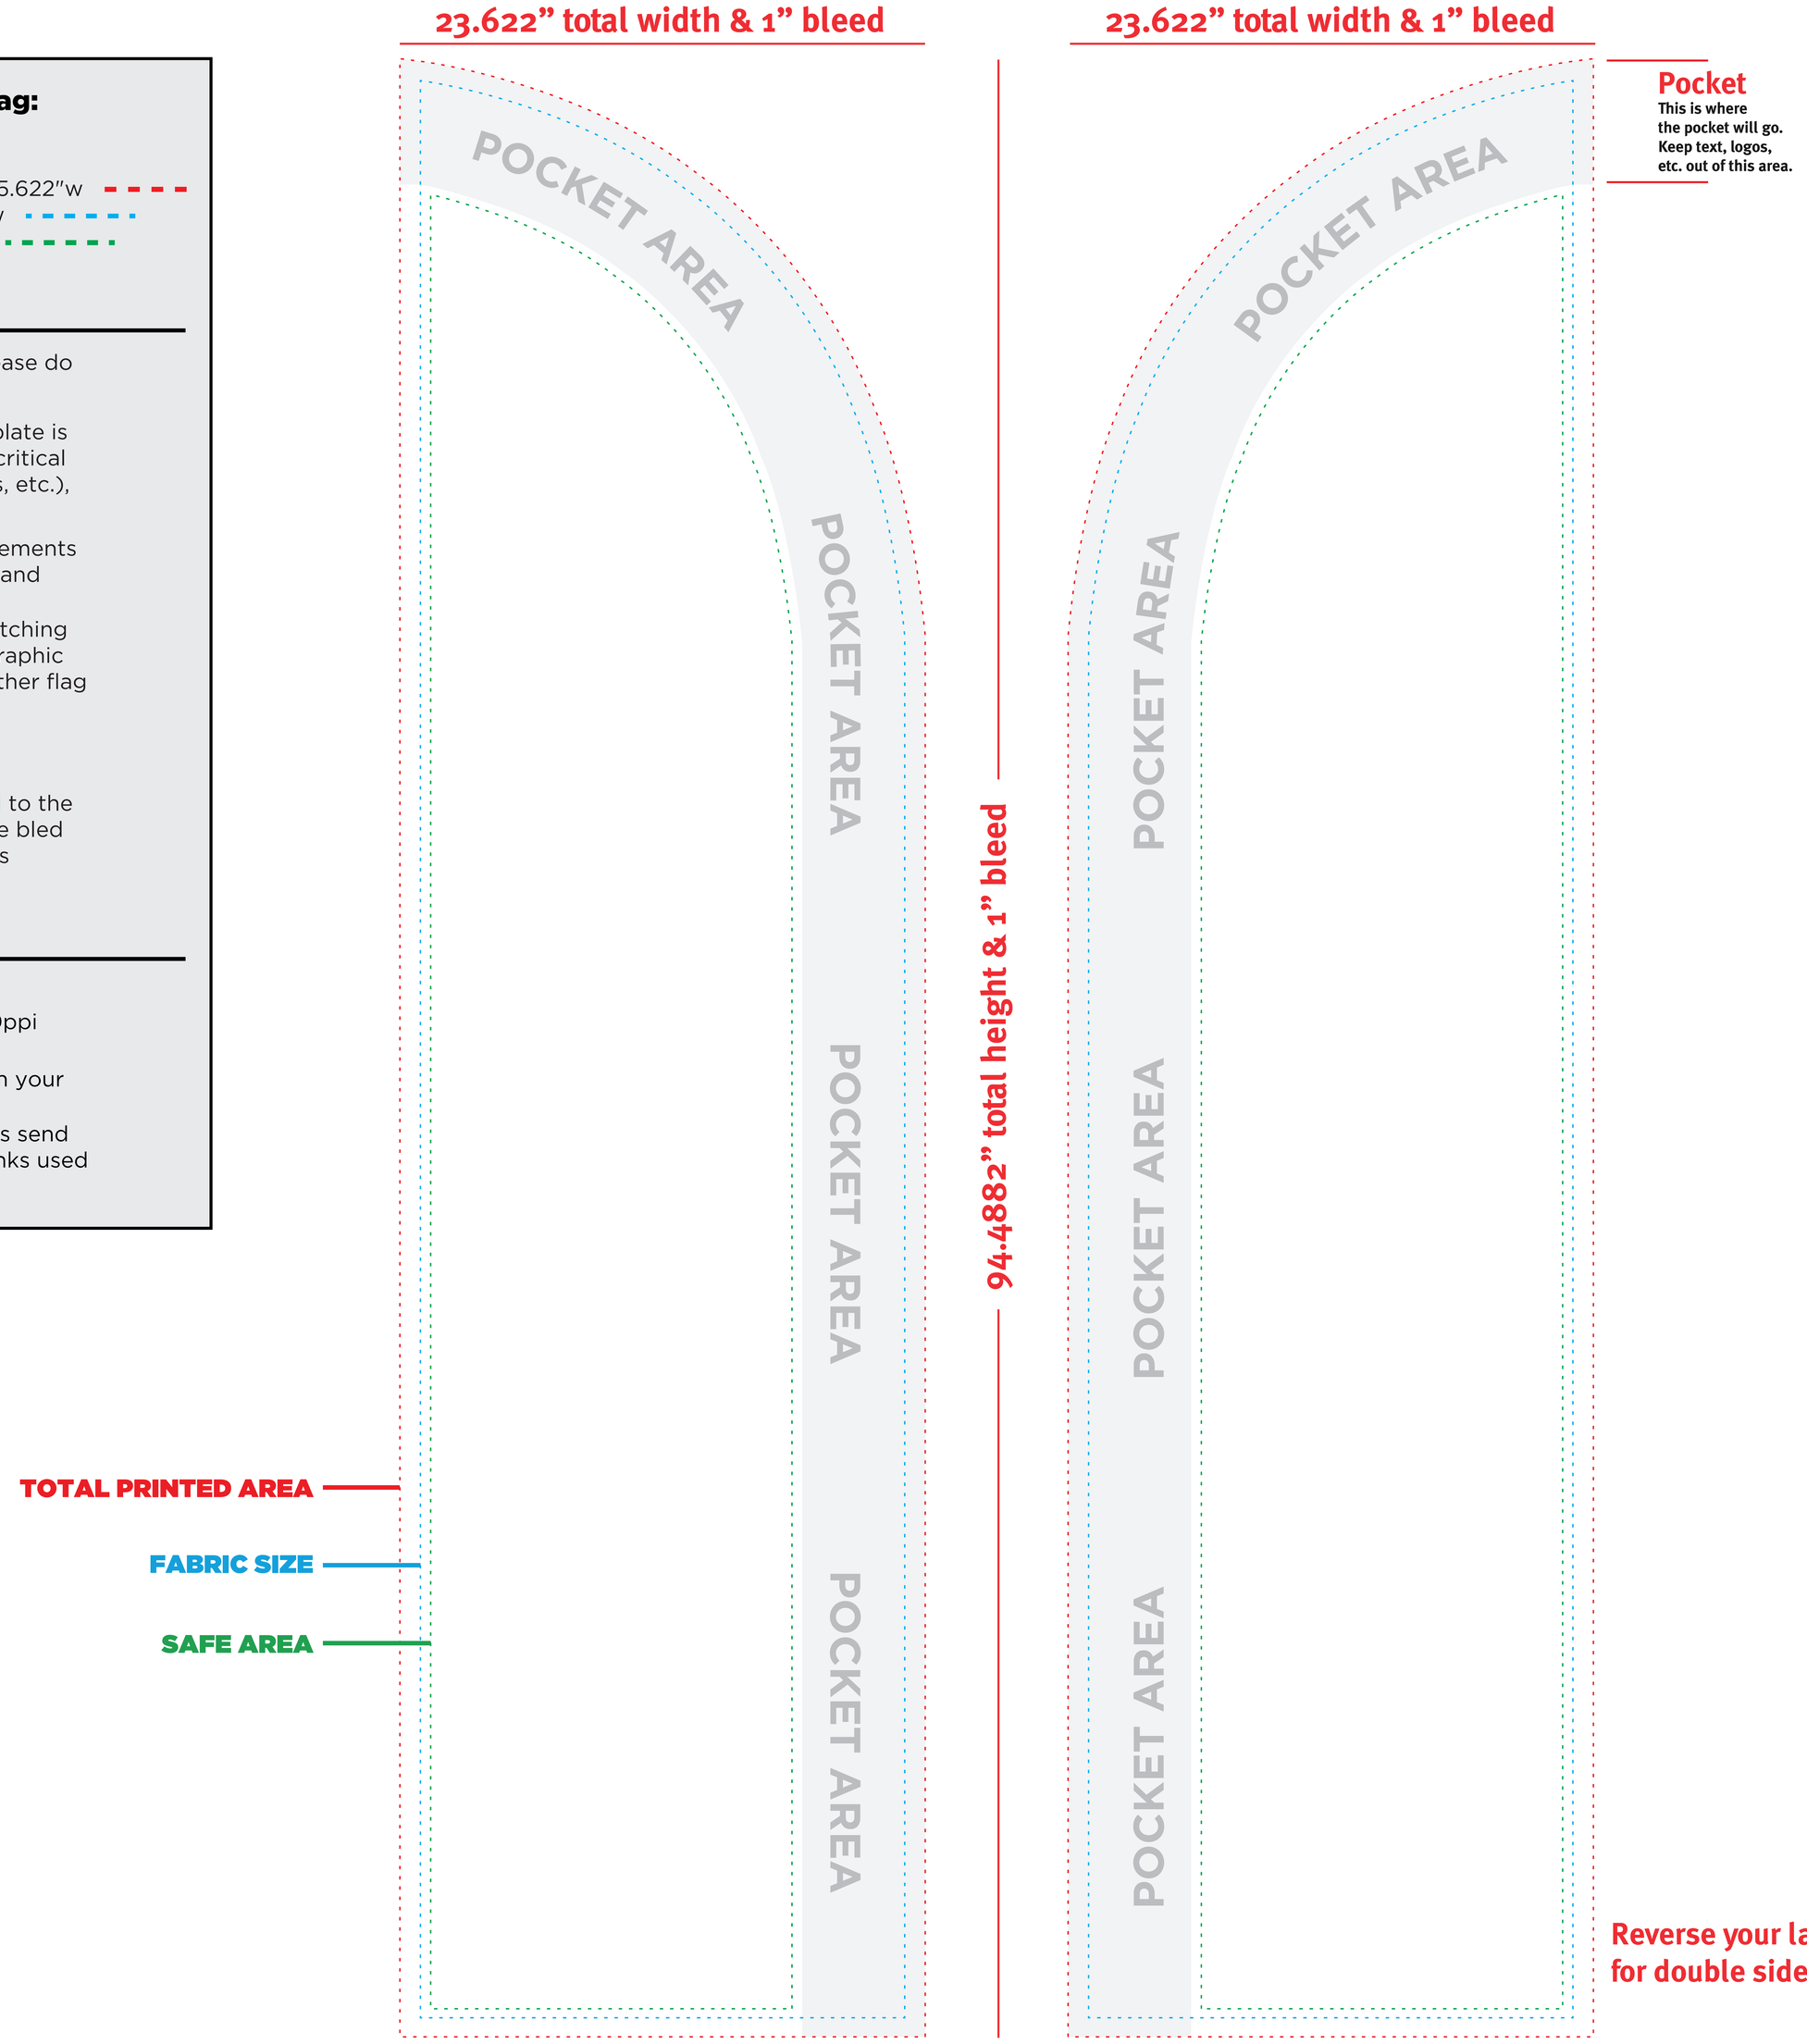
TEMPLATE DETAILS:

This template is setup at scale please do not resize when designing.

The dashed green line in the template is the Safe Area. Please design any critical graphic elements, (i.e. texts, logos, etc.), within the Safe Area.

- This will keep any critical elements within .5" away from edges and pocket.
- This will also ensure that stitching will not disrupt important graphic elements, and that your feather flag is designed and printed professionally.

Any solid background color(s) or background elements that extend to the edges of the Fabric Size should be bled out 1" to the dashed red line in this template, which is the Bleed Line.

GENERAL GUIDELINES:


- CMYK color mode
- Resolution must be at least 300ppi
- Convert all fonts to outlines
- When possible embed images in your file(s)
  - If you cannot embed images send the high resolution image links used in your design
